Location Risk Assessment

Home: Topaz House

Home URN	**2857219**
Registered Manager	**Karen Banton**
Responsible Individual	**Nikita Allin**
Last Review Date	**10.04.2026**

Introduction – Legislative Framework

All children and young people, whether they are looked after by their local authority, guardians, carers or by their parents, need to feel safe in the area surrounding their home. Just as any parent would want to their child to live in a safe area, so too will a corporate parent who places children in a children's home. a location is safe can change rapidly, and may depend on the vulnerabilities of particular children. Indeed, some individual children may themselves heighten risks in an area if they have particularly risky behaviours.

A home may be located in an area with some local risks, and still be 'safe', if these are managed well, arrangements are made to keep children safe, and placement decisions take account of these risks. Consideration of risks in a local area, and what steps should be taken to mitigate these should be part of the care planning and placement decision process. Placing social workers should be responsible for assessing local risks and making judgments about safe locations before placing the child. The availability of support and services in the local area (e.g., education, health, CAMHS), as well as risk factors, should be considered before the placement is made.

Role of the provider

Better equipping children's home staff to make judgments about local risks, manage challenging behaviour, and keep children safe is an important element. Workforce training, support, and knowledge is therefore critical to the success.

The Children's Homes and Looked after Children (Miscellaneous Amendments) (England) Regulations 2013 introduced the following changes to the Children's Homes Regulations 2001 and the Registration Regulations:
Regulation 31(1A) and (1B) of the Children's Homes Regulations 2001, as amended, introduced a requirement in January 2014 for providers or managers to:

- Ensure that premises used for the purposes of a children's home are appropriately and suitably located so that children cared for by the home are:
  (a) effectively safeguarded, and
  (b) able to access services to meet the needs identified in their care or placement plan;
- Review the appropriateness and suitability of the location of the premises at least once in every calendar year.

Profile of The Home & Young People

Topaz House is located on Coalway Road in Wolverhampton within the West Midlands region of England. The postcode is within the Tettenhall, Penn, Merry Hill and Oxley electoral division, which is in the constituency of Wolverhampton South West.

The Home will support up to 3 young people of mixed gender between the ages of 8-18 with emotional and behavioural difficulties, learning difficulties, complex needs, and challenging behaviour.

The home is situated in a pleasant residential area close to direct bus routes into town and within a short walk of local amenities including shops, pharmacies, hairdressers, restaurants, and various cafes.

There is a wide range of quality activities available in close proximity to the home. Young people can enjoy wildlife safari parks, zoos, Go-Karting, indoor climbing, museums, beautiful country parks, cinema, bowling, leisure centres, and swimming pools all within a short journey from the home.

Local Amenities

Wolverhampton City Centre is located 2.6 miles from Topaz House. The City Centre consists of a range of different shops and banks. In addition to this, there are also several restaurants and takeaways, including a nightlife facility including pubs, nightclubs and theatres.

Wolverhampton is the home to Wolverhampton Wanderers FC which is located 2.8 miles from Topaz House.

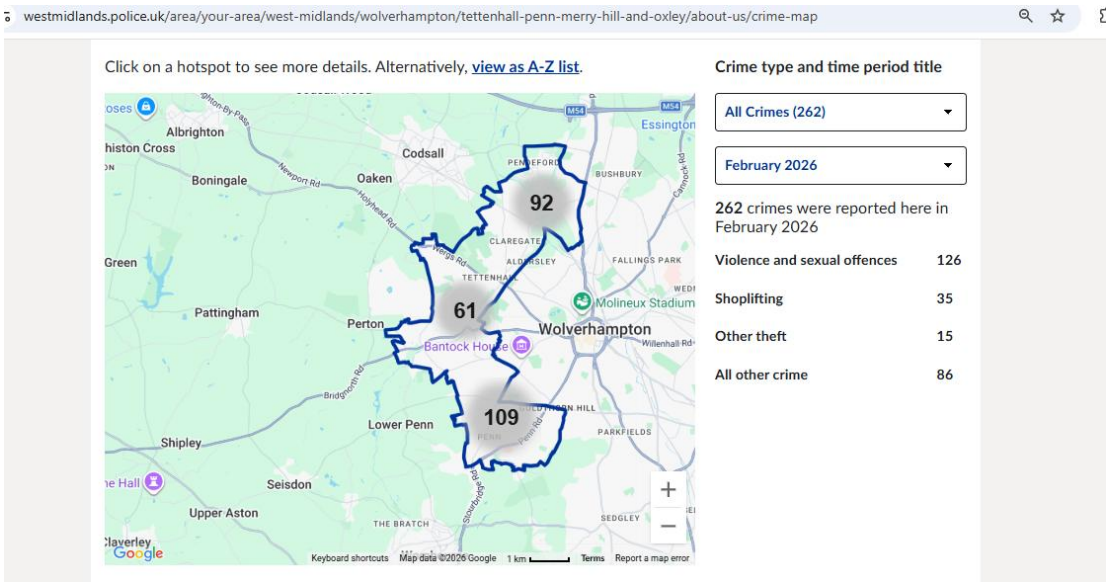

A Leisure centre is located 2.2 miles from Topaz House. This facility consists of swimming, gym, swimming lessons, steam room, gym classes, and café.

Reported Crime in the Area

The data below was published by the Police and represents incidents that were reported to them, not the crimes that were prosecuted and/ or had further action taken.

Any known local hot spots for crime have been detailed in the risk management section of this document.

Analysis/Summary;

Topaz House is located on Coalway Road in Wolverhampton within the West Midlands region of England. The postcode is within the Tettenhall, Penn, Merry Hill and Oxley electoral division, which is in the constituency of Wolverhampton South West. The data above has been collated by the police between the periods of March 25 and Feb 2026. This data was accessed on 10.04.26.

These are incidents that were reported to them within Feb 2026, and a breakdown of a number of crimes that had been reported within the Tettenhall, Penn, Merry Hill and Oxley area.

The statistics show that the most significant crime that has taken place in the Tettenhall, Penn, Merry Hill and Oxley is Violence and Sexual offences, with a total of 126 incidents reported in Feb 2026.

Although these are prominent risks within the area, none of the crimes were reported on Coalway Road. The 2 crimes reported on Coalway Road are vehicle crime and other crime. We will consider the children who we place in the home to ensure they are not at any imminent risk within the area.

The home manager is signed up to receive weekly emails (more regularly if risks increase) from the emergency services via the WM now account. This ensures that the home is kept up to date about the risks in the immediate and wider area.

Transport

	Rail	Bus	Car
Details/summary Are there any specific known hotspots related that have been informed through various consultation/local knowledge?	Wolverhampton Train station is located in Wolverhampton town centre, which is 2.7 miles away from Topaz House. The train station has 6 different platforms. The trains at Wolverhampton train station provide access to different parts of the country, such as Birmingham, Coventry, Liverpool, Crewe, Manchester, Shrewsbury, and many more. There is also a Metro located in Wolverhampton. These trams run between Wolverhampton St George's and Birmingham Bull Street, through the West Midlands. Following the information received, the train station is not an area that presents any particular risks. However, the tram does pose an increased risk for missing episodes.	Number 2 bus is a 1 Minute Walk from Topaz Home travels directly to Wolverhampton Bus Station within 19 minutes. This would be a connecting bus which can lead to other buses such as: 529 to head to Walsall Town Centre with a total travel time of 59 minutes. X8 to head to Birmingham City Centre with a total travel time of 2 hours 5 minutes. 1 to head to Dudley with a total travel time of 58 minutes. Number 4 bus is a 7 minute walk from Topaz Home which travels directly to Wolverhampton City Centre within 30 minutes. All of the above buses that connect to Wolverhampton / Walsall / Birmingham allow access to train stations across the country. If connecting at Wolverhampton this will lead to a Metro which takes you to Birmingham. The Missing Returns officer has explained that there have been Youth tensions at the bus station in Wolverhampton City Centre.	The home can be easily navigated to via the M54 (Junction 5) and M6 (Junction 10A) motorway, these motorways are located 5.9 miles away from Topaz House. The M6 motorway runs from junction 19 of the M1 and the A14 in Catthorpe near Rugby in central England. It passes Coventry, Birmingham, Stafford, Wolverhampton, and Stoke-on-Trent. The motorway has major junctions with the M56 and M62 near Warrington, giving access to Chester, Manchester, and Liverpool.
Managers overview of transport links/risks	Due to Topaz House being located in such close proximity to public transport, this could increase the risk of missing from care episodes, especially those linked to County Lines. There are numerous bus stops located within a 1-mile radius of Topaz House which makes transport easy and accessible to not only other areas of Wolverhampton, but also Walsall, Dudley, and Birmingham.		

	However, the bus routes also lead to the Wolverhampton town area, where the bus depot, train station, and tram are located. The bus depot has buses that also connect to wider areas in the West Midlands and the Shropshire area. The train station has recently been refurbished and now has barriers. Therefore, tickets must be purchased in order to be able to access a train. However, the tram does not have a gated entrance and is more easily accessible. The tram provides transport from Wolverhampton to Birmingham.

Children & young people's thoughts on the location

Date	Way in which the consultation was gathered	Details/comments/views
11.03.26	Keywork	AL enjoys the proximity of nature to the home and hopes to explore the location more.
06.04.26	General conversation / My weekly Update	RH - 'I know, the house is so nice bro". RH also shared that she liked all the carers she had met so far.

Location risk assessment

Severity	Likelihood	Risk Level
1 – Minor	2 – Unlikely	
2 – Moderate	4 – Possible	Low – 2-8
3 – Serious	6 – Probable	Medium – 9-15
4 – Major	8 – Very Probable	High – 16-32

Close proximity to Main Road			
Overall Level of Risk		Description of risk	Risk Management Strategies/Actions to be taken
Likelihood	**4**	The flow of traffic along road is generally medium to high during the day, however the traffic does increase during peak traffic times. There is a zebra crossing which is located 177 yards when taking a left and 352yards when taking an right out of Topaz House on Coalway Road	• The speed limit for drivers is 30mph. • The home is removed from the road by a driveway and pavement. • Young people are to be guided and instructed around road safety through key works, workshops and weekly meetings. • During the admissions & matching process any young person who has displayed a history of risk-taking behaviour near roads, or a lack of road sense will be carefully assessed by the home and placing authority with respect to the road adjacent to the home. • The Home's Manager will report any concerns regarding the traffic with our assigned PCSO.
Severity	**3**		
Total Risk Level	**12**		

Local Gangs/Risk of Criminal Exploitation (CCE)			
Overall Level of Risk		Description of risk	Risk Management Strategies/Actions to be taken
Likelihood	**4**	There is the possibility of local drug networks being within the area. Access to drugs/ substances and/or perpetrators/ influences associated with drugs.	• If a young person has historical substance misuse this would be identified within the matching process, risk assessments and placement plans implemented at the admission stage.
Severity	**4**		
Total Risk Level	**16**		

Local Gangs/Risk of Criminal Exploitation (CCE)			
Overall Level of Risk		Description of risk	Risk Management Strategies/Actions to be taken
		In the immediate vicinity of the home, there is no evidence of gang presence. Though there is some anti-social behaviour reported in the Merry Hill area (PCSO Ben Darrell, 17.10.25) There is however, gang presence in some areas of the city centre.	• The young people would be educated as to the dangers of drugs, and all others risks associated such as potential gang affiliation. • If a young person was to have unaccompanied time with friends or family then this would be risk assessed and authorised by both the homes manager and social worker, as well as being continually reviewed for safeguarding purposes. • External agencies such as Catch 22 & Base-25 have already been approached by the homes manager and referrals will be instigated following any such concerns.

Proximity of Neighbours			
Overall Level of Risk		Description of risk	Risk Management Strategies/Actions to be taken
Likelihood	**2**	There could be associated risks/issues with privacy, parking, noise etc.	• There is an enclosed garden area where several separate properties could see into the garden; however, some of this view is obstructed by fencing. • The home has windows that all have fitted blinds to prevent outsiders from seeing in the home from outside • The home to ensure that they create and sustain positive relationships with all neighbouring homes • Carers to ensure they are mindful of parking issues and only use the parking provided • Carers to be mindful of noise / disruption to others • General good neighbourly gestures such as Christmas cards / apologies if the home has caused unnecessary disruption • Manage any complaints through the company's complaints procedure and ensure this is resolved quickly
Severity	**4**		
Total Risk Level	**4**		

Local Parks within a 15-minute drive.			
Overall Level of Risk		Description of risk	Risk Management Strategies/Actions to be taken
Likelihood	**2**	Windsor Avenue Playing Fields are 0.1 miles from Topaz House – 3-minute walk.	• If a young person was to have their own bicycle then we would have a robust risk assessment in place and it is likely that we would purchase a bike rack for the car (if unable to
Severity	**4**		

Local Parks within a 15-minute drive.			
Overall Level of Risk		Description of risk	Risk Management Strategies/Actions to be taken
Total Risk Level	**8**	Bantock Park is 1 mile from Topaz House – 3-minute drive / 20-minute walk. West Park is 1.9 miles from Topaz House – 7-minute drive / 40-mintue walk. Tettenhall Pool / Park is 3.2 miles from the home – 10-minute drive.	fit in the car) so that carers and the young person can travel to safe spots and cycle trails instead. • Young people having free time at any parks will always prompt us to have consultation with our local PCSO and any other local contacts who may be able to share any issues or concerns that we need to be aware of. • Keywork sessions will be completed in relation to gang affiliation and safety when in the public when a child has free time within the Wolverhampton area. • Young people within the home are staffed on a 1:1 ratio and supervised at all times – unless they have separate plans in place, such as free time which is risk assessed.

Individual or group risk of Child Sexual Exploitation – CSE			
Overall Level of Risk		Description of risk	Risk Management Strategies/Actions to be taken
Likelihood	**2**	This area crime mapping figures, report a low rate of sexual assault and gang related activity in the locality of the home but its proximity and easy travel links to other areas of Birmingham means that this is still a risk.	• Any concerns regarding CSE will result in robust discussions with respective Social Workers, LADO, Safeguarding Children Board, MASH Team & CSE Police Officer(S) • Carers will communicate with schools/colleges on a daily basis should there be any CSE concerns presented. • The security of the home is monitored with CCTV external cameras & we have the ability to enable landing sensor when required depending on the current needs of the children. • All carers have received training about Child Sexual Exploitation within their initial induction along with refresher courses. • Young people will be supported to undergo informal workshops/learning in order to gain better understanding of healthy relationships and the risks around grooming and exploitation. • There is a Paediatric Sexual Assault Referral Centre for the West Midlands. You can contact the Sexual Assault Centre directly on 0808 196 2340. Please see website for further detail on support https://westmidsregionalcypsas.co.uk • The homes manager will attend Wolverhampton Forums in relation to new services, training, up to date information and guest speakers.
Severity	**4**		
Total Risk Level	**8**		

Individual or group risk of Child Sexual Exploitation – CSE			
Overall Level of Risk		Description of risk	Risk Management Strategies/Actions to be taken
			• External services been provided by Wolverhampton CSE lead including Base 25 and St Giles – Expect Respect.

Proximity to other children's residential homes within the area			
Overall Level of Risk		Description of risk	Risk Management Strategies/Actions to be taken
Likelihood	**4**	• There are other children's homes within the local area • The homes manager has liaised with Wolverhampton's LADO and it has been advised there are a total of 34 children's residential homes within the Wolverhampton city.	• Carers are aware of known children's homes within the local area. • If a young person was to build relationships with young people from a children's residential home, then to liaise with other homes managers. Which leads into if a young person was to go missing from care, all carers within the home are confident with the young person's missing from care protocol within the home. Also, to liaise with other homes managers if relationships have been built. • All young people within the home are staffed on a 1:1 basis.
Severity	**2**		
Total Risk Level	**8**		

Current young People

Child's Initials	AL	Age	15	Gender	Male
Local Authority	Dudley			Admission Date	05.03.2026
Are there any current locational risks detailed above that presently effect the young person	AL moved to Topaz house on the 05.03.2026 following numerous other placement breakdowns. AL has been in care since the age of 4. AL presenting behaviours relate to verbal and physical aggression, self-harm and bullying/ controlling behaviour. AL has not previously shown any risks around missing from care.				
Since admission	In March 26 – AL noted that he loved the house and the nature opportunities in the surrounding area. He has expressed that it is not his wish to live in Wolverhampton as he wants to be closer to his brother and sister in Crewe/Stoke. He has no concerns regarding the area however.				

Child's Initials	RH	Age	16	Gender	Female
Local Authority	Dudley			Admission Date	02.04.2026

Are there any current locational risks detailed above that presently effect the young person.	RH moved to Topaz House on 02.04.26 after visiting on 01.04.26 following concerns that her previous home had not followed safeguarding procedures for other children in the home. RH had been living in the Children's Home since June 2025 after being removed from the care of her family. RH has not previously presented as vulnerable to locational risks.
Since admission	

CONCLUSION

The locality of Topaz House appears to be an appropriate and relatively low-risk area in which to have a Children's home. Topaz House is located in a Neighbourhood watch area; therefore, the home manager is able to remain up to date with any crimes within the area and/ or close proximity to Topaz House.

The home's locality provides very good access to education services, health services, and a wide range of activities and amenities, which can be easily accessed by the residents.

Following consultation with the professionals within Wolverhampton, it appears as though Topaz House would be deemed high risk for CCE and MFC. CCE is a high risk due to being known gang affliction Wolverhampton area, which are currently situated in the city centre. Gang affiliation is also connected to a spate of knife crime within Wolverhampton.

Additionally, MFC is also a high risk due to the transport links near Coalway Road, and the surrounding roads as they lead to various areas in the West Midlands, and also the city centre where there is access to tram, train, and buses across not only the West Midlands, but the country. This would be taken into consideration during the matching/referral process.

Alongside this, access to drugs would be deemed high risk. This is due to the high risk of CCE within the local area, and the opportunity an individual would have to obtain drugs if attempted.

Overall, we can conclude that the locality of Topaz House appears to be a medium risk area in which to have a Children's home and provides a safe and stable residential environment with good access to services within the area. Carers are experienced in working with children in residential care and receive bespoke training to ensure the children in placement are safeguarded appropriately.

Appendix 1 - Key Contacts & Consultation

Local Authority Designated officers (LADO)		Date and Details of consultation which helped inform this risk assessment
Name	Kelly Matthews	13.11.25 – Teams Meeting with Kelly Matthews, after introductions and a summary of the service offered at Topaz, Kelly shared the preferred processes and methods of communication with the LADO processes; where appropriate informal chat via phone or request via email, complete and submit MARF if required. Kelly also shared that there are no current concerns from her perspective in the local area and that any contextual safeguarding concerns should be shared with the MASH 24 team. 26.01.2026 – Kirsty informed Kelly of the temporary move to Topaz whilst Garnet is currently under going construction work.

Local Community		
Date	Name	Details of consultation which helped inform this risk assessment
17.09.25 / 29.09.25	Blast Cleaning Services	Isaac, a cleaner visited the home to quote for services. After I introduced myself and explained the purpose of the home, he explained that he lived in the local area (round the corner) and was very happy in it; the community is positive and the area feels safe, there is rarely any concern or trouble. Isaac returned to complete the window cleaning.
2.10.25	Various	The manager and team delivered introductory letters to the immediate neighbours and visited local businesses to make introductions.
06.10.25	Martin (& Jeanette)	Neighbours at 155 Coalway Road. I introduced myself to Martin as he delivered a parcel and asked if he'd received my letter. Martin explained he had lived at his home with his wife for 37 years and had raised his children there very happily. He has no concerns regarding the area and is pleased to see the home being lived in as it has been vacant for around 5 years.

		29.03.26 - Martin contacted me for advice as he has concerns regarding the care of the child at 153, I advised Martin that he could contact the police or Social Services to record any concerns and that we would keep an eye out as we pass.
24.10.25	Andy & Pat	Neighbours at 159 Coalway Road. Andy introduced me to Pat as I was leaving the home and explained they had received my letter. We chatted generally and I answered the questions they had. Andy and Pat have lived in their home where they raised their own, now adult children and that they will be hosting their daughter's family (adults and grandchildren) over the Christmas and into the New Year as their home is renovated. Andy and Pat have loved living in the area and described a quiet community with no concerns.
